Hollywood and Vine's fabulous staff!

On Tuesday, July 27th, Venice Magazine and Newmarket Films hosted the SRO Premiere Screening of *Stander* at the Arclight Cinemas in Hollywood. Following the movie guests made a bee-line to Hollywood and Vine Restaurant where the cocktails were flowing and the kitchen was buzzing: an array of sandwiches, pastas (the tortellini was divine!), fine cheeses, decadent brownies and chocolate chip cookies kept revelers happy. Effusive thanks to our event partners: Great Wines International for the South African Wines, Evian Water, Firestone Brewing Company, Jim Robb of S Guaro Spirits, and Stolichnaya Vodka. And finally, thanks and kudos to Scott Shuttleworth and his staff at Hollywood and Vine Restaurant for putting together a wonderful party. We all had a blast!
