TARANTINO AND K-FED'S EX?!

ODD COUPLE ALERT! FILM director **Quentin Tarantino**, 42, and **Shar Jackson**, 28 — the mother of **Kevin Federline** (a.k.a. Mr. **Britney Spears**)'s two children — spent the holiday weekend together in Las Vegas. On July 2, the two dined at Nobu in the Hard Rock Hotel, where they were “holding hands and acting like a couple,” says a source. After dinner, the pair took in the smash comedy show *Beacher's Madhouse* and were “very touchy,” says another witness. Then at 4 A.M., they ate pizza and pancakes with a group of people at the Rainbow Bar & Grill.

Jackson told Hot Stuff that she and the *Kill Bill* director are just “friends” and were in Sin City celebrating her mother's birthday. Tarantino was not reachable.

A source says that Tarantino and *Mo'Nisha* star Jackson adjourned to his room at the Hard Rock Hotel after sharing a table at the *Beacher's Madhouse* comedy/variety show (above) on July 2.
